

Proclamation

WHEREAS, the rich heritage, vast natural beauty and vibrant communities of the Snoqualmie River Valley deserve to be recognized and honored; and

WHEREAS, we recognize and celebrate the uniqueness of each city and community throughout the Snoqualmie River Valley; and

WHEREAS, we recognize that we face similar challenges and opportunities in which we are stronger working together than we are working apart; and that the Snoqualmie River Valley community and economy benefit from local solutions, problem solving and a culture of collaboration; and

NOW, therefore, by endorsing below I affirm that a broad spectrum of representatives should come together to develop a common vision that identifies the common values held by the Snoqualmie River Valley community in an effort to help maintain those values for generations to come.
