Explore the Greenway

"Explore the Greenway" is your gateway to enjoy the beautiful Mountains to Sound Greenway, the 1.5 million acre landscape connecting Puget Sound to central Washington that offers year-round attractions, events, and recreation opportunities. From hiking and biking, to activities including fairs, festivals, and special community events featuring arts, culture, and history, Explore the Greenway offers something for everyone.

Our sponsors are essential to the success of Explore the Greenway. By supporting year-round events, activities, and resources, our partners recognize the value of building community in the Greenway, as well as building awareness of our work to preserve natural spaces in balance with a growing population in the Mountains to Sound Greenway.

As a sponsor of this program, you'll reach hundreds of thousands of families and individuals throughout the Pacific Northwest and be recognized for your commitment to abundant recreational opportunities, preservation of natural areas, local communities, scenic parks, clean air and water, and a quality of life everyone can enjoy.

About the Mountains to Sound Greenway

Twenty-five years of collaboration and hard work have tested and strengthened the vision of the Mountains to Sound Greenway. We have proven to this region and the rest of the nation that collaborative conservation, using a broad-based and inclusive coalition, can effect positive change.

Enhancing people's connections to nature drives the Greenway mission. Our coalition of community members, businesses, government agencies, and donors is joined together by the ethos that when we have meaningful connections with our natural surroundings, we are healthier and happier, our communities are stronger and more equitable; our lives are better.
