2020 VIRTUAL DINNER & CELEBRATION

December 9, 2020

Thank You for Joining Us!

2020 has brought many challenges, but the Mountains to Sound Greenway Trust and our partners have continued to carry out important work for the benefit of this incredible landscape and all those who engage with it. Perhaps more than ever, we are thankful for this opportunity to come together and celebrate some of the accomplishments from the past year, reflect on the collective impact of the last 30 years, and look ahead to all that's yet to come.

Contributions to the Greenway Trust support our ongoing efforts to seek and preserve a sustainable balance between people and nature.
